- PDF file contains detailed guidance on how to fill-in the application form
- **Editable Word file** allows you working from the beginning (Jems is not there...)

Attention!

- There are some (minor) differences between the offline template and Jems
- “Compulsory” vs “recommended” text size
- It cannot be submitted (submission only through Jems)

Documents to be submitted

LP & each PP

+

Private LP

Lead partner declaration

The undersigned, representing participating in the above mentioned Interreg CENTRAL EUROPE project proposal with the role of lead partner, hereby certifies the following:

- I am legally authorized to sign this statement on behalf of my organization;
- In the event of approval of the project proposal, the organization I represent commits itself to provide the co-financing to the European Regional Development Fund (ERDF) budget allocated to my organization, as indicated in Part B, table B.1.8, of the submitted application form;
- I hereby confirm that the legal status of my organization as indicated in Part B, table B.1.3, of the submitted application form is correct;
- The organization I represent has the adequate legal capacity to participate in the Interreg CENTRAL EUROPE call for proposals and especially to submit legally relevant documents;
 - The organization I represent has the financial capacity to implement the project and in particular:
 - The proposed financial commitment is adequate to the organization's size and capacity;
 - It has the capacity to guarantee project activities also for considerable amounts;
 - Possible delays in ERDF reimbursement will not undermine the organization's capacity of implementing the foreseen activities within the project;
- The organization I represent has the administrative and operational capacity to implement the project proposal and in particular:
 - It has enough human resources and technical means to ensure a sound project implementation and management;
 - Its administrative and financial involvement in the project does not undermine the organization's daily activities;
- The organization I represent has the necessary financial resources and mechanisms to cover operation and maintenance costs for investment in infrastructure or productive investment if implemented within the project, so as to ensure their financial sustainability;
- The organization I represent is not an undertaking in difficulty as defined in point (8B) of Article 1 of Regulation (EU) no 651/2014;
- The project proposal does not include activities which were part of a project subject to relocation within the meaning of point (27) of Article 2 of Regulation (EU) 2021/1060 or which would constitute a transfer of a productive activity within the meaning of point (a) of Article 63(1) of that Regulation;
- All information concerning the participation of my organization in the project proposal, as included in the application form, has been verified and it is correct;
- The project proposal, as described in the application form, is unique in its objectives, approach and activities to the best of my knowledge;
- The information included in the application form is accurate and true to the best of my knowledge;
- The project proposal, or any part of it, has not and will not receive support from other EU-funded programmes. In case that any of such funding is received after the submission of this proposal or during the implementation of the project, my organization will immediately inform the managing Authority;
- The project proposal is in line with the relevant EU legislation, programme rules and - where relevant - national legislation and policies of the countries involved. In particular all necessary approvals and permissions have been or will be obtained;

LP and PP declarations

To be filled in and signed by the lead applicant and each partner
